Students who meet all of the eligibility requirements should complete the following steps to apply:

- Fill out a Change of Major Form (PDF). *(Please make sure to include your email address)*
- Attach an updated, unofficial copy of your UW transcript and highlight all Spanish courses completed to date, and an English composition course.
- If you have completed course work in Spanish at another university and it does **not** appear on your UW transcript, attach a copy of your complete transcript from that school. Transcripts may be unofficial (photocopies are acceptable).
- If you have met with the prerequisites for the Spanish major, you may submit your completed Change of Major form and transcript(s) to Humanities Advising Services (HAS) at Padelford Hall 002-A (two floors below the Department of English main office) or electronically to has-center@uw.edu or at the HAS website. **If Spanish will be your second major, you must obtain signed permission from your other departmental academic adviser prior to turning in paperwork to add Spanish as a major.** If there are any questions or issues regarding your application, you will be contacted via email.

Incomplete applications will not be processed.
